

THE JAZZ CLUB IS BACK IN BUSINESS!

ROYAL BRITISH LEGION HALL MARLOW SL7 1NT

It has been a long time: possibly we have been a bit over-cautious, plus I had a health problem (not covid!) around Christmas time and the Jazz Club "Co-Pilot" Simon Lenton has also had a few family problems, but anyway here we are again with initially 3 top gigs to ask you to support. We will do our best to save you good seats if you phone or email: Don't hang about, get in before press publicity and posters go up! *Michael*
